

Information for HP Certified Professionals— Latin America Partners

About this event

HP Technology Forum & Expo 2007 is the annual HP Certified Professional training event. Each year HP hosts one comprehensive technical conference for our HP Certified Professionals, our presales employees and a very select group of customers and user group members—and this is it!

You can look forward to an exciting educational experience, choosing from more than 400 technical sessions, 200 hands-on labs, lots of non-disclosure sessions and exclusive training labs.

Event logistics
